

Honours Thesis Application: BIOCHEMISTRY & MOLECULAR BIOLOGY

Part A: to be completed by the student

Date:

Student Number:

Student Name:

Student Email:

Course Name: **BIOC 449**

Credits: 6

Admission criteria for Honours:

- Fourth-year standing (i.e. minimum 78 credits completed);
- Minimum grade average of 76% in all courses taken applicable to the Biochemistry & Molecular Biology Major;

Number of credits completed?

Average in BIOC major courses?

Part B: to be completed by the professor(s) in consultation with the student

Course methodology (select one):

Research-based using original data

Research paper

Other (please explain)

Start date:

End date:

(Course grade must be submitted by April 30 for graduating students)

Attach a course syllabus that includes:

- a course description;
- research expectations;
- evaluation and deadlines (list each component as a percentage of the final grade) (please specify if an iterative writing process is used instead);
- number of student -instructor contact hours per week, and the number of hours student is expected to work independently per week (these should total at least 8 hours per week, and not more than 12) (more than 12 hours requires additional explanation);
- where applicable, define the role of the supervisor and co-supervisor for this project.

Part C: signatures
