

REQUEST FOR DEFERRED STANDING IN A COURSE

See Academic Concession: <http://okanagan.students.ubc.ca/calendar/index.cfm?tree=3,41,90,1015>
Deferred Standing (SD) may be granted by the dean of the faculty in which the student is enrolled when a student has a valid reason for not completing course requirements as scheduled and does not qualify for Aegrotat standing (see Academic Concessions). Students granted Deferred standing in Winter Session courses must complete all outstanding course requirements by August 23 of that academic year or by an earlier date to be determined by the dean's office. Student granted Deferred standing in Summer Session courses must complete all outstanding work no later than December 23 of the subsequent calendar year or by an earlier date to be determined by the dean's office. Students granted Deferred standing are responsible for making satisfactory arrangements with their instructors for completion of outstanding course requirements. If a student fails to complete deferred requirements by the dates specified, the Deferred standing will be replaced with a grade or standing that reflects requirements completed in the course. Students unable to meet the specified deadline because of further medical, emotional, or other difficulties must make an additional application for Academic Concession no later than August 31 for Winter Session courses, or December 31 for Summer Session courses, following the original deferral.

Normally, requests for Deferred Standing must be submitted as close as possible to the time that class attendance is adversely affected, and before the end of term. In considering these requests or any appeals of decisions on academic concessions, the dean's office will not normally accept untimely submissions. Acceptable supporting documentation must be provided. Initiating a request for deferred standing does not ensure the granting of the concession. The minimum criteria for approval of Deferred Standing include: at least 60% of the course work has been completed; the student has achieved a grade of 60% in the completed course work; the student has attended classes regularly during term; the course instructor is confident that the student will be able to complete the course.
