Deferred Standing (SD) may be granted by the dean of the faculty in which the student is enrolled when a student has a valid reason for not completing course requirements as scheduled and does not qualify for Aegrotat standing (see [Academic Concession](#)). Students granted Deferred standing in Winter Session courses must complete all outstanding course requirements by August 23 following. Student granted Deferred standing in Summer Session courses must complete all outstanding work by December 23 following. Students granted Deferred standing are responsible for making satisfactory arrangements with their instructors for completion of outstanding course requirements. If a student fails to complete deferred requirements by the dates specified, the Deferred standing will be replaced with a grade or standing that reflects requirements completed in the course. Students unable to meet the specified deadline because of further medical, emotional, or other difficulties must make an additional application for Academic Concession no later than August 31 for Winter Session courses, or December 31 for Summer Session courses, following the original deferral. See [Deferred and Supplemental Examinations](#) for additional information.
